

Date : 29th July 2022

Hon'ble Governor of Maharashtra

Shri Bhagat Singh Koshyari

Dear Sir,

Subject : Homicide of my wife – Foul Play by Lokayukta of Maharashtra, Justice V.M.Kanade (Case NO. 4156 dated 31/10/2019) abandoning his duty, protect civil servants and indirectly criminal offenders responsible for untimely, unnatural and merciless death of my wife.

Attached are the following:

1. Support letters from family and friends for justice being denied in death of my wife and their beloved family member, Late Smt Kamini Barkur.
2. Letter to the Hon'ble President, Madam Droupadi Murmu seeking justice in the matter.

The following information has been sent to you:

1. Email dated 5<sup>th</sup> June 2022 addressed to the Hon'ble PM Shri Narendra Modiji, copies addressed to Hon'ble President, Hon'ble Governor and National Human Rights Commission. **Matter pertains to Human Rights Violation in the Largest democracy in the world by bribing & corrupting every authority in India.**

**"Right to Life"** of my wife was cut short by Cipla Limited in nexus with doctors. Illegal Trial conducted with Cancer injection (to be given once in a year even to bone cancer patients) administered for curing "Stiff Neck" in a single day. **The doctors watched my wife sinking for 5 days and then abandoned her to her fate & destiny which was death.**

**Inhuman of Lokayukta, Justice V.M.Kanade to have colluded in this homicide!**

**"Right to Justice"** is denied by Cipla Limited to an aggrieved senior citizen by bribing and corrupting each and every regulatory and law enforcement authority viz FDA, CDSCO, Public Health Departments, Deans & Professors of Medical colleges.

“Anti-corruption Ombudsmen” (Lokpal of India and Lokayukta of Maharashtra) at Federal & State levels are past Judges of High Courts & Supreme Court. Their conduct has tarnished the image of Judiciary in our country.

2. Letter dated 23.03.2022 (Illegal Order by Justice V.M.Kanade to the Staff of Lokayukta of Maharashtra for dismissing my complaint).

I have asked the hon’ble Governor for dismissal of Lokayukta of Maharashtra for colluding with civil servants in Public Health Departments of Mantralaya, Government of Maharashtra, FDA Maharashtra and Navghar Police, Mulund, Mumbai.

No minutes were provided for the last hearing on 6<sup>th</sup> January 2022. Order to dispose of my complaint is illegal which has no value in Lokayukta complaints.

Clearly, Lokayukta colluding with Public Servants (who colluded with criminal offenders) and aiding in protecting killers is a very serious offence and the Lokayukta cannot continue in his office after abetment in a serious crime of culpable homicide.

3. Letter to Lokayukta dated 12<sup>th</sup> January 2022, copies addressed to the Governor, Chief Justice of India and all authorities involved in protection of criminal offenders. This was shock expressed by me, an aggrieved senior citizen seeking justice in untimely, unnatural and merciless death of my wife.
4. Letter dated 7<sup>th</sup> April 2022 to Police Commissioner of Mumbai for action in criminal complaint before Navghar police. Copy was endorsed to yourself.
5. Email dated 22<sup>nd</sup> June 2022 as a follow up on email dated 5<sup>th</sup> June 2022 addressed to the Hon’ble PM Shri Narendra Modi, copies addressed to Hon’ble President, Hon’ble Governor and National Human Rights Commission.

This email was regarding Media Report of Joint Drugs Controller, Dr.S.Eswara Reddy caught in a bribery case.

**Role of pharma firms in allegedly bribing CDSCO officials is under CBI scanner.** Alleged involvement of several pharmaceutical companies in bribing officials of Central Drugs Standard Control Organisation (CDSCO) through a

conduit to get their files "processed favourably" has come under scanner of CBI, people aware of the matter told ET. In this case, Biocon Biologics Pvt Ltd.

**Joint Drugs Controller of India Dr.S.Eswara Reddy was arrested by the CBI and has been suspended by the Health Ministry.**

This same official, **Dr.S.Eswara Reddy** was involved in organising a **"Fake Joint Investigation"** with FDA Gr Mumbai to silence an aggrieved senior citizen (myself) seeking justice in untimely, unnatural and merciless death of his wife.

Very next day after Fake Investigation Report, letter of pardon was issued to **CIPLA LIMITED** by Director of FDA Goa. This was one year after FDA Goa Director had warned Cipla Limited of Legal Action. Obviously, bribing was the reason for the sudden U-Turn by Director of Food and Drugs Administration, Government of Goa.

**Lokpal of India** - Complaint was made by me against **Dr.S.Eswara Reddy, Dr.P.B.N.Prasad (Joint Drugs Controller), Sh Somnath Basu (Asst Drugs Controller), Sh Rajesh Bhushan (Health Secretary) and DCG(I), Dr.V.G.Somani** with Anti-corruption Ombudsman, Lokpal of India. Lokpal of India (Full Bench) disposed of my complaint without looking into it & multiple lies in their Order.

**Lokayukta of Maharashtra** - The same Fake Joint Investigation was explained threadbare to Lokayukta of Maharashtra, Justice V.M.Kanade who preferred to disregard it, thus favouring FDA Gr Mumbai officials & criminal offenders.

There were only two points for action against public servants in government of Maharashtra by the Lokayukta, Justice V.M.Kanade:

- 1) FIR in police complaint against Cipla, doctors and hospitals after my statement was taken for arrest warrant in 2017.
- 2) Case filed in Magistrate Court in 2015 not followed up by Drug Inspector of FDA Gr Mumbai be pursued and guilty parties arrested.

**Firstly**, Lokayukta, Justice V.M.Kanade protected all public servants in Directorate of Health Services, Government of Maharashtra, Department of Medical Education & Drugs, Government of Maharashtra, Dean & doctors of Sir J.J.Group of Hospitals after **Expert Committee Report** submitted in September 2018 was destroyed by the Dean.

**Secondly**, Lokayukta of Maharashtra did not question FDA Gr Mumbai officials why case filed before Mazgaon Court, Mumbai by FDA Gr Mumbai Drug Inspector in 2015 was not pursued since seven years.

**Thirdly**, the Lokayukta did not question FDA Gr Mumbai officials on Fake Joint Investigation with CDSCO.

**Lokayukta colluded with Public Servants** (and indirectly with criminal offenders) and disposed of my complaint illegally without submitting minutes of the last hearing.

Order to dispose of my complaint on his own volition was abandoning his duty towards the citizens for which he was appointed. He has to face charges of "criminal conspiracy", cheating the citizen, among other charges.

**Police Complaint** - My Statement as complainant was taken in 2017 by Navghar Police, Mulund, Mumbai for effecting "Arrest Warrant". Lokayukta has further delayed the matter which is a criminal offence. As former Judge of Bombay High Court, Justice V.M.Kanade should know that FIR has to be registered & that too in a Homicide matter.

**Cipla cared a damn** for life lost from their drug, violated statutory guidelines, took the aggrieved for a ride for four years. Later deceived FDA by linking imaginary diseases and imaginary treatment for the same.

Subsequently, bribed and corrupted FDA, CDSCO, Public Health Departments, Deans & Professors of Government Medical Colleges.

After Fake injection, used Fake Science, Fake Chemistry and Fake Medical Theses to suppress homicide of an innocent.

Serious anti-national criminal activities amounting to Sedition deserving imprisonment for Life. Cipla Directors have to face charges of "criminal conspiracy", cheating the citizen, among other charges destroying the social fabric of our society.

**Two Acts** were abused due to bribing and corrupting by Cipla Limited.

- 1) Drugs & Cosmetics Act, 1940 and
- 2) Lokpal & Lokayuktas Act

### **Where is Safety for Citizens of Bharat Mata?**

CDSCO is the National regulatory body for drugs in India. Drugs are approved by Drug Controllers working in CDSCO. FDA is the State Licensing Authority. If both FDA-CDSCO are in nexus with pharma companies, where is safety for the citizens? Since I had determined to persevere death of my wife, I could reach this stage with documentary evidence implicating all authorities.

**NHRC** (National Human Rights Commission) has been provided with full details of bribing and corrupting in every authority by Cipla Limited.

**United Nations Human Rights Council** – Since Pharma companies export their drugs to several countries across the world, I have tried to complain to UNHRC.

**Media** - Cipla Limited silenced journalists in the media investigating “Cipla Drug Trial”. I have emails and WhatsApp Chats from six of them.

6. All evidence is before all authorities including two Orders in Civil Suits (Maharashtra Medical Council and Maharashtra State Commission) implicating Cipla drug Rokfos causing death of my wife.
7. The main accused in silencing the aggrieved complainant, **Dr.S.Eswara Reddy, Joint Drugs Controller** has been nabbed in another case by the Central Bureau of Investigation.
8. **CDSCO letter dated 17/01/2022 from Drugs Controller General of India** to FDA Goa Director to take action against Cipla Limited is proof that Cipla should have been prosecuted in **2018 itself**.
9. Criminal offenders viz Cipla Directors, doctors and hospitals as well as civil servants involved in colluding with them including Lokayukta of Maharashtra, Justice V.M.Kanade as also Lokpal of India should be arrested by the Central Bureau of Investigation (CBI) just like Joint Drugs Controller has been nabbed.
10. Cipla Limited as well as Lokpal of India & Lokayukta of Maharashtra have to face charges of "criminal conspiracy, cheating, to influence a public servant by corrupt or illegal means & bribery" among other charges. These are anti-national acts deserving stringent punishment.

11. Since this matter involves authorities at Federal & State levels in Maharashtra & Goa, I have sent my complaint to the Director, CBI - New Delhi Office.

12. This is a request to the hon'ble Governor of Maharashtra for a response to an aggrieved senior citizen regarding homicide of his wife not being punished. Statement was taken in 2017 for effecting "Arrest Warrant" but FIR is not being registered even after "Expert Committee Report" was submitted in September 2018 to the Dean of Sir J.J. Group of Hospitals.

Thanking you,

Yours Sincerely,

Umeshchandra Barkur
