Dear Sir,

Subject : ROKFOS for IV USE ONLY

My wife was administered the above drug in the following hospital :

MARUTI NURSING HOME (DR.MIHIRGIRI I.GOSWAMI) , GOKHALE ROAD,HANUMAN CHOWK,MULUND (E),MUMBAI-81

This drug was administered to the patient whose condition did not need this drug to be given to her.She was just diagnosed for Cervical Spondilitis with pain in the neck when this drug was given right away on admission to the nursing home. Please refer to CIPLA's usage conditions for this drug.

If you can give your comments whether this condition of the patient required this drug to be given, I would be very grateful.

My wife is no more but I need to investigate the causes leading to her death which was due to "Aplastic Bone Marrow" reason being drug induced.

I want information about your product ROKFOS (product information pamphlets/leaflets, etc) ,ROKFOS infusion concise info, Contents, Prescribing information, Dosage, Adverse Drug reactions, etc from your company.

I also need to know how this drug reached Maruti Nursing Home as I have not received any information seeking the same from the Nursing Home Orthopaedic and his physician.

I am giving the following information:

B.No.V40056

MFD: FEB 14

EXP : JAN 16
